TELLS OF WAYS OF SAVAGES.

Describes a Banquet at Which the Heads of Slain Warriors Were Boiled and Their

Starting at Matadi, on the livest coast of Africa, in August, 1806 Mr. Cherry went up the Congo Erver as far as Stanley Pool by caravan. At Brazaville, in the French

Reminiscences of Marchand women and seven of the men were receptured, tried by court-martial and condemned to death The three women naked as d blindfolded, ware stood up before a handful of Sengalese soldiers. They knew what was coming, and faced it with a heroism that few men have shown when confronted by sure death. They were not Amazons, only domesticated wives, who obtained food for their husbands and children, and who grew weary of capitivity. The Sengalese fired, the women fell, riddled with builets. A French soldier stepped over their boddles, putting a builter into each of their brains and ending their writhing agonies.

Leaving the service of the French Government, after having his arms restored to him. Mr. Cherry went from Bangui with natives in canoes to the mouth of the M Bomu Fiver, past rapids, over them and more often than not into them, until he came to the territory of Bangasson, one of the greatest of the N Saccraw chiefs in the whise Compo hash.

Camball Banquet Described.

Cannibal Banquet Described.

Mr. Cherry's photographs of this gentleman show him to be as gross and sensual a personage as can well be imagined, yet be rules with a rod of from many thousands of people. The day of Mr. Cherry's arrives and people are deployed and thought to Bangasson had been indulging in a raid upon a heighboring tribe, with the result that no fewer than 2009 men, women and children had been captured and brought to Rangasson as shaves. In addition to they finves Bangasson as shaves in addition to their finy and their propers. At night a great bangot was propared. The heads of the sain were belief and the brains were caten. Buskets of human fiesh, the laster's report shows larger gains and twolled. Bangasson has 180 wives and is a stanch ally of the French Government. Among the natives with whom Mr. Cherry well smoked, were curred around and devoured. Bangasson has 180 wives mad is a stanch ally of the French Government. Among the natives with whom Mr. Cherry has been living ceinibalism is rangang. "After a tribal engagement," he tells the Asociated Fress, "the captured men, women and children are cut up as nutrikly as that (smapping his diagras), and every his of them is eaten. Human fiesh, to these people is a deducary. They want it and when they get the opportunity to get it they cannot rest."

Hegarding the rivers he explored, Mr. Cherry said.

They drain the finest country in the world, where everything can be raised. His coffee vanila and rubber grow in wild lavuriance. In no place in the world could you find such elephants. It's just like hunting rabbits.
